Overview

Since 2005, EPOSability Ltd. have specialised in Electronic Point of Sale (EPOS) and have been providing EPOS Consulting, Deployment, Maintenance and Support Services for retail clients across the UK.

EPOSability appreciates that EPOS is part of the Mission Critical Systems environment, and promote EPOS and IT solutions that are technological resilient, whilst being sensitive to budgeting requirements. Through our structured policies and procedures we are geared towards transparency, value, integrity and professionalism to aid us in building long term mutually beneficial partnerships.

Mission Statement

Our goal is to professionally assist Retailers, Software Developers and Manufacturers with the Deployment, Maintenance, Support and the enlightened usage of Electronic Point of Sale.

We strive to ensure that EPOSability Ltd is synonymous with excellence in Electronic Point of Sale and IT Service Provision.

We add value by responsibly leveraging our knowledge and experience of Technology and Electronic Point of Sale, with financial, customer and user benefits for our clients.
